Rust Converter

Rust converter and base coat in one process

WEICON Rust Converter: For the effective neutralisation of rust on rusty cast iron and steel surfaces. Protects from corrosion and is suitable for indoor and outdoor use. The Rust Converter is based on epoxy resin and forms a metallicorganic iron complex with the rust layer. This connection is stabilised by the special epoxy resin, which protects metals from external impacts. The black layer formed serves as base coat and is the foundation for the subsequent, permanent coating. The spray is anti-corrosive, has excellent capillary action and a high opacity. It is temperature-resistant up to +80 °C (short-term < 15 min. up to +160 °C), has good weather and UV resistance as well as excellent resistance to solvents. WEICON Rust Converter is free of heavy metals and mineral-acid. Rust Converter can be applied to all rusty areas, e.g. on machines

or in plants, on agricultural equipment as well as motor vehicles. The spray can also be used as a protective, rust preventive layer.

Technical data	
Odour	Synthetic resin
Colour	white, milky
Specific properties	Rust converter, primer, sealant
Silicone-free	yes
Temperature resistance	-50 °C to briefly +80 °C (< 15 min.) to +160 °C
Shelf life	24 mon.

WEICON

Technical Sprays Rust Loosener

Surface pre-treatment

The surface needs to be dry and free of dust, oil and grease. Remove loose rust, grease, dirt and paint with a wire brush, grinding

disc etc. Remove grinding dust. Clean the surface (WEICON Cleaner Spray S)

Processing

Carry out one to two spray applications from a distance of 25-30 cm. Observe flash-off time of approx. 3 - 5 minutes between spray applications. After full cure (approx. two hours), the final coating can be applied. Check surface compatibility prior to use.

Storage

Pressurized container. Protect from direct sunlight and temperatures above +50 °C.

Instructions for use

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Available sizes

10047458 Rust Converter, 400 ml, white, milky
