

Technical Information

AUTOSOL® Glass Polish

Product information

AUTOSOL® Glass Polish is a high-performance product, specially designed to increase visibility through your windscreen for safer driving. Perfect for the removal of persistent water stains, stubborn dirt, salt spray, rust deposits and light scratch marks on automotive glass surfaces. Suitable for hand application and machine use.

Application

Shake well before use. Apply to a wet microfiber cloth. Work the polish in a circular motion. When the whole area is covered with product increase pressure then polish over the areas with stubborn dirt and wiper marks. Wait a few minutes until product is dry. Polish off with a clean, dry microfiber cloth.

Note

Do not use on acrylic surfaces. Recommendation: For Acrylic surfaces use AUTOSOL® Acrylic Polish Art. No.: 01 001260.
