

Technical Information

AUTOSOL® Interior Cleaner & Odour Neutraliser

Product information

For the entire vehicle interior. This all-purpose cleaner will clean plastics, painted surfaces, upholstery, roof lining and even leather. Effectively and gently removes dirt, deposits, nicotine, fingerprints and shoe marks. At the same time malodours are neutralised and a pleasant smell is spread.

Application

Cleaning: Spray cleaner directly onto the surface to be cleaned and wipe onto the surface, you can also apply the product onto a damp sponge and wipe on. Allow to dry or wipe with a lint-free cloth.

Deodorising: Depending on the intensity of the odour, spray from a distance of 30 cm the surface to be treated until the fabric is slightly damp. The odour disappears when the fabric is dry. Repeat the process if the odour is extremely intense.

Note

Not suitable for suede! Smooth leather is to be wiped – not only sprayed. For textiles sensitive to water we advise preliminary testing before use.

Technical Data

Form: liquid
Colour: colourless
Odour: perfumed

Health and Safety

Safety Data Sheet is available separately.

Additional Information

Art.-No.: 11 007500

spray bottle 500 ml
