

Technical Information

AUTOSOL® M1 Cleaning Polish for Chrome Plated Plastics

Product information

Suitable for all glossy or matt chrome plated plastics. A selection of special α -aluminium oxides guarantees minimal abrasion but gives the maximum polishing effect. AUTOSOL® M1 Cleaning Polish not only cleans but also protects the surface in a single process. Developed in co-operation with the leading electroplated plastics company – *BIA Kunststoff- und Galvanotechnik GmbH*.

Application

Apply AUTOSOL® M1 Cleaning Polish onto the parts to be polished or cleaned. Polish with a soft cloth in circular motion. After drying remove the residue with a clean soft cloth.
