

Technical Information

MARINE COMBI POLISH

Product information

Creates a deep shine on lacquer and gelcoat. Oxidised and matt surfaces regain their gloss. Stubborn dirt is simply polished away. Leaves behind a weather-resistant protective layer of polymer wax. Pre-treat heavily weathered and matt surfaces with AUTOSOL® MARINE BOAT CLEANER or AUTOSOL® MARINE METAL POLISH.

Application

Shake bottle before use. Work in sections. Apply polish with a cloth to the dry, clean surface and allow to dry briefly. Polish with a soft, clean cloth.

Note

Do not apply on hot surfaces or in bright sun. Protect from frost.

Technical Data

Form: viscous liquid
Colour: white
Odour: characteristic

Health and Safety

Safety Data Sheet is available separately.

Additional Information

Art.-No.: 11 015210

bottle 500 ml

packaging unit: 6
