

## Technical Information

# AUTOSOL® Metal Refresh

### Product information

AUTOSOL® Metal Refresh is ideal for stainless steel, chrome, brass, copper and aluminium surfaces. With mild acids and alumina, dirt such as chalk, sediment and metallic oxidation are gently removed leaving behind a smooth water repellent surface.

### Application

Apply a small amount of the product to the surface and rub in with a moist cloth or sponge in a circular motion. Rinse thoroughly with water.

### Note

Avoid direct contact with food. Do not use on galvanised surfaces or anodized aluminium

### Technical Data

Form: liquid  
Colour: white  
Odour: charakteristic

### Health and safety

Safety Data Sheet is available separately.

### Additional Information

Art.-No.: 11 001720

bottle 250 ml

PU: 12
