

Technical Information

AUTOSOL® Waterless Cleaner

Product information

Quickest, easiest way to clean light dirt from hard surfaces. No pre-washing necessary. The cleaning agent effectively loosens soil, dust, and road dirt. It efficiently cleans lacquer, rubber, plastic, glass, and metal. No additional water needed.

- Powerful combination of finest cleaning chemicals
- Phosphate-free
- Excellent material compatibility
- Leaves spot-free surface
- No water bucket needed
- Gentle to grease on chain and wheel bearing
- Easy to use: spray on - wipe off

Application

If necessary, remove coarse dirt with a soft brush. Spray product onto the surface to be cleaned and let to take effect for a short time (max. 3 minutes). Then wipe off the loosened dirt with a soft microfibre cloth.

Note

Apply in sections. Do not allow product to dry. Do not use on hot surfaces or in the blazing sun. In the case of uncertainty, test the material carefully beforehand in an inconspicuous place.
